

# Brook-Ellis Pet Hospital

## Puppy Health Care Plan

Save **25%** off vaccinations and Home Again Microchip.

Save **25%** off fecal, de-worming and Neuter or OVH.

A complete physical exam is included with each visit.

This is a well care package and does not include exam or treatment for illness. Your puppy must be spayed or neutered prior to 8 months of age. For first vaccines and/or other procedures previously done the discounted price will be deducted from

Health Care Plan total.
